

# Freeborn County Re-Use Room

The Freeborn County Re-Use Room is an area where items received at our Household Hazardous Waste Facility are recycled if they appear to be in a condition where they are still useable. Items are available for free to citizens of Freeborn County. Examples of items available are... paints, stains, cleaners, oil, automotive, electronics, and other assorted items.

***The Re-Use Room is open Wed from 9am — 3pm***
