
Deputy Response to Calls

308.1 PURPOSE AND SCOPE

The State of Minnesota finds that emergency vehicle operations are an integral part of law enforcement's commitment to public safety. This policy provides for the safe and appropriate response to all emergency and nonemergency situations (Minn. Stat. § 626.8458, Subd. 1).

308.2 POLICY

It is the policy of this office to appropriately respond to emergency and nonemergency calls for service or requests for assistance, whether these are dispatched or self-initiated.

308.3 RESPONSE TO CALLS

308.3.1 RESPONSE TO EMERGENCY CALLS

Deputies responding to an emergency call shall proceed immediately as appropriate. Deputies responding to an emergency call shall sound the siren or display at least one lighted red light to the front of the vehicle. Whenever practicable, during an emergency call response the deputy should continuously operate emergency lighting equipment and sound the siren (Minn. Stat. § 169.03 et seq.; Minn. Stat. § 169.17).

Responding with a red light, emergency lighting and/or siren does not relieve the operator of an authorized emergency vehicle or a law enforcement vehicle of the duty to drive with due regard for the safety of all persons and does not protect the driver from the consequences of his/her reckless disregard for the safety of others. The use of any other warning equipment without emergency lights and siren does not provide an exemption under Minnesota law (Minn. Stat. § 169.17).

Deputies should only respond with a red light, emergency lights and/or siren when so dispatched or when circumstances reasonably indicate an emergency response is appropriate. Deputies not responding with a red light, emergency lights and/or siren shall observe all traffic laws.

308.3.2 LIGHTING EXEMPTION OF LAW ENFORCEMENT VEHICLES

A deputy may operate a vehicle without lights as otherwise required while performing law enforcement duties when the deputy reasonably believes that operating the vehicle without lights is necessary to investigate a criminal violation or suspected criminal violation of state laws, rules or orders, or local laws, ordinances or regulations. The operation of a vehicle without lights must be consistent with the standards adopted by Minnesota Peace officer Standards and Training Board (POST) (Minn. Stat. § 169.541).

308.4 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an imminent threat to the safety of deputies, or assistance is needed to prevent imminent serious harm to a citizen. Where a situation has stabilized and emergency response is not required, the requesting deputy shall promptly notify Dispatch.
